I am interested in getting the mapping file that provides the headers and column information for the the System for Award Management Public Extract (found at: <https://catalog.data.gov/dataset/system-for-award-management-sam-public-extract>).

I am looking to identify which fields in SAM are disclosed under FOIA and which fields are exempt from disclosure, with particular interest in the "Annual Revenue" field and whether this information is publicly disclosed for registered contractors.

Dear Mr. Kim:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA FOIA Number 272747), dated July 28, 2014, in which you requested the mapping file that provides the headers and column information for the System for Award Management (SAM) Public Extract (found at: <https://catalog.data.gov/dataset/system-for-award-management-sam-public-extract>). We understand that you were looking to identify which fields in SAM are disclosed under FOIA and which fields are exempt from disclosure, with particular interest in the "Annual Revenue" field and whether this information is publicly disclosed for registered contractors.

You will find the information you requested by going to [SAM.gov](http://SAM.gov) and selecting the Data Access tab. The file layouts are posted within the column titled "Data Package Information" for each format. The legacy Central Contractor Registration (CCR) FOIA file format is still being posted monthly. The SAM Entity Management Extract Public Data Package file format will replace the CCR FOIA file at the end of October 2014.

This completes our action on this request. Should you have any questions or concerns, please contact the Allison VanOcker with the Office of Integrated Award Environment (IAE) at [allison.vanocker@gsa.gov](mailto:allison.vanocker@gsa.gov) or the FOIA Requester Service Center at 1-855-675-3642 (toll free) or [gsa.foia@gsa.gov](mailto:gsa.foia@gsa.gov).

Sincerely,

(b) (6)
